

Summer Search Alumni in HOLLYWOOD

SECOND EVENT A SUCCESS!

Summer Search Alumni from Boston, San Francisco, and the North Bay gathered in Hollywood January 19th! The Scavenger Hunt and Tour of Hollywood were postponed for a warmer date so more alumni can come out and join us! Alumni had a great time sharing stories and getting to know each other over

dinner and cocktails at the historical Pig 'n Whistle Restaurant on Hollywood Boulevard!

The So Cal Chapter of the Summer Search Alumni Association is the first chapter to be started by and for alumni in an area not served by a

Summer Search Office! We are proud of this accomplishment and look forward to connecting with more alumni and building our community here in Southern California! Hope to see you soon!

LIVING IT UP ON THE WALK OF FAME!

Left to Right: Judy Dinh (San Francisco, 2001), Cazzie Brown (North Bay, 2000), and KishaLynn Moore (Boston, 1998)

Cazzie and KishaLynn with Ralph Belance (Boston, 2004) who has had three prestigious internships with Fox in Promotion, Development, and Pre-Production!

It's no surprise his major is Media Production at American Intercontinental University!
