Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

The mission of Summer Search is to find resilient low-income high school students and inspire them to become responsible altruistic leaders by providing year-round mentoring, summer experiences, college advising and alasting support network.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 5,598,976 including grants of \$ 1,319,331) (Revenue \$ 0)

SUMMER PLACEMENT AND MENTORING: Each student receives two full scholarships to life-changing summer experiential education programs, including wilderness leadership expeditions, academic enrichment programs, community service, and internships. These programs provide opportunities for growth and connection through concentrated experiences that challenge and empower students. Through mentoring students build supportive and sustained relationships with full-time professional staff mentors and peers to reflect on life experiences, actions, identities, and communities.

4b (Code:) (Expenses \$ 4,539,980 including grants of \$ 273,983) (Revenue \$ 0)

Staff training and development: Summer Search conducts a strong training effort to teach the uniquely effective interview process that identifies students that have leadership potential through an original youth development model that identifies three character metrics that it hopes to cultivate in young people: resiliency, altruism, and performance. The Organization provides a comprehensive training to staff in order to develop and improve mentoring skills which can help students develop relational, leadership and resiliency skills. Training is conducted year-round through a series of intensive workshops delivered in person by highly-trained staff and youth development experts.

4c (Code:) (Expenses \$ 932,889 including grants of \$ 159,703) (Revenue \$ 37,493)

Post-secondary success: Summer Search knows that it is not enough to get students to college, but it is important to support them so they can attain a Bachelor's degree and are set up for future success. The first few years of college can be extremely challenging, particularly for first generation college students. For this reason, Summer Search supports students through this transition, and offers professional development and career readiness services so they graduate with the network, skills and experiences necessary to competitively enter the workforce. Our post-secondary success staff supports students throughout their post-secondary education, especially in their first two years of college (when risk of drop offs is highest), to ensure they are progressing academically, securing financial aid, engaging on campus, and adopting effectively.
