Stonewall Old & North Courses

Dear Friends,

Welcome to the 7th Annual Summer Search Philadelphia Golf Classic presented by EY! Join us on Monday, June 24, 2024, at the prestigious Stonewall courses in Elverson, PA, for a day of fun, golf with colleagues and friends, and supporting the transformative mission of Summer Search Philadelphia (SSPH). A chapter of the national organization Summer Search, SSPH's mission is to unleash students' potential through mentoring and transformative experiences.

Dedicated to creating greater equity and expanding pathways for students of color from low-income communities impacted by an inequitable education system, SSPH served just under 500 individuals in 2023. In Philadelphia, America's poorest big city, our students face challenges with an average median household income of \$28,000, 94% of them qualify for free lunch, 98% are students of color, and 78% are first-generation college students. Beginning in the sophomore year of high school, we provide seven to nine years of services, including year-round mentoring, experiential summer learning, post-secondary advising, and professional development coaching.

We thank EY, our presenting sponsor, and countless organizations and individuals for their sponsorship support. Since 2017, this event, combined with other fundraising efforts, have allowed us to deepen our impact and strengthen our program model. Whether you are a returning sponsor, or joining us for the first time, we are grateful for your support of SSPH and the deserving students we serve. We look forward to seeing you in June!

Sincerely,

Andrew Levy
