FROM DREAMS TO BOUNDLESS FUTURES

Join us as we gather our entire network, to celebrate, and create greater equity in our community. The funds we raise together will provide the critical resources our program needs to provide **mentorship**, **transformational experiences**, and **post secondary support** for young people from low-income backgrounds in South King County. Your partnership will ensure students can turn their **dreams into boundless futures**.

This is our biggest event of the year and your best opportunity to make a difference in the lives of young people. There are several sponsorship packages outlined below, each with a generous collection of benefits and exposure for your company. We look forward to partnering with you to help **unleash the potential of our young people to thrive!**
