## ABOUT SUMMER SEARCH

Summer Search envisions a world in which young people, regardless of circumstances, can fulfill their potential and lead their families and communities to thrive. By empowering the next generation of thriving and purpose-driven leaders, we are a force for change - transforming the lives of young people in New York City for over 20 years.

Our holistic program offers professional mentorship, summer experiential learning, and career readiness, leading to higher high school graduation and post-secondary education matriculation rates than national averages.
